

STAFFORD COUNTY ELECTORAL BOARD

MINUTES of: WEDNESDAY JULY 11 , 2018

At 10AM on Wednesday July 11, 2018 the Stafford County Electoral held a meeting in the General Registrar's office located at 1300 Courthouse Road, Stafford, Virginia 22554. The meeting was called to order by Chairman, Doug Filler. Roll call: Chairman, Doug Filler, Vice Chairman Marie Gozzi, Secretary, Gloria Chittum, and General Registrar Greg Riddlemoser were all present.

Minutes of the June 10-13 2018 meetings were read and approved.

OLD BUSINESS: Marie gave all of us a review of everything that was discussed at the SBE TRAINING Meeting which was held in Richmond Virginia. The June Primary was also discussed by all of us School's seem to be the biggest problem. The problems range from a Fire Drill at one of the schools, being unable to see signs because of having cars block the signs, having voting moved from one area of the school to another. Once the school calendar end-of-year is moved from June to May hopefully all of this can be worked out. Greg discussed the redistricting again which has been turned over to the County Staff at this point, Gloria asked Greg about the availability of the warehouse next to our present warehouse and it has been rented to someone else. There being no other Old Business we moved to new business.

NEW BUSINESS: Doug at this time revealed to the entire Electoral Board that he would be resigning as a member of the Electoral Board effective August 15th 2018. The Chairman of the Stafford County Democratic Party would be choosing someone to nominate to replace Doug and sending it to Judge Sharp for appointment. We all thanked Doug for serving on the board. At this point Greg left the meeting. We then turned to completing the General Registrar's Annual Performance review.

When we had accomplished this, Doug said this being his final opportunity to close a meeting; he wanted to be the one to make the motion to close the meeting, Gloria seconded, and all voted in favor.

Respectfully Submitted

Gloria Chittum, Secretary
