Old Business: None

New Business:

Read over June Primary incident reports. There were no problems
Overview of new election laws - We went over the laws one-by-one and discussed each one.

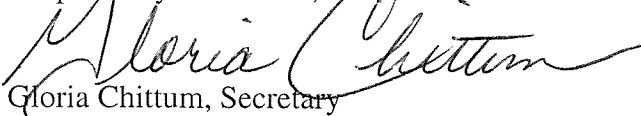

Advanced Preparation for early voting: as of now we have to use IT room which is not big enough.

Registrar's Report: Anna reported she has been working with Mike Smith regarding a room for early voting. All he will give us is the IT room which is not big enough. Voters may have to wait outside. She also reported we will be getting two new voting machines, one for the airport and one for precinct at the County Building. Also Anna reported we have already received request for over 3000 Absentee ballots.

Anna reported she will be doing interviews for the assistant Registrar's job next week. She also gave each of us a copy of a letter she received from a precinct worker who was resigning. We were all sad about this.

At this time, 11:35, we went into closed session to discuss personnel matters. The first order of business was sending a letter to Christopher Castelli thanking him for his fourteen (14) years of service. Marie is to get this together, and we will all have input and sign. The next order of business was the Annual General Registrar's Performance Review. This was completed and we adjourned at 2PM.

Respectfully Submitted,

Gloria Chittum, Secretary
