

1. DEVELOP A MULTIMODAL INFRASTRUCTURE AND TRANSPORTATION SYSTEM

Definition: Further infrastructure development in the community to provide an enhanced level of service. Stafford County's comprehensive transportation plan provides a variety of alternatives and fluid access throughout the community. Our network of roads is complimented by multimodal paths to ensure the safe and efficient movement of vehicles and pedestrian traffic.

- 1.1 Establish consistent Board discussions throughout the year focusing on multimodal (i.e., walking, biking, transit, rail, cars and trucks) transportation efforts to incorporate education, funding and planning.
- 1.2 Develop a funding structure and a capital program that facilitates the Transportation Master Plan.
