Expected Duration of Condition:

I certify that the above patient has a serious medical condition which is defined as a physical or psychiatric condition that requires medical intervention to prevent further disability, loss of function, or death. Such conditions are characterized by a need for ongoing medical supervision or the consultation of a physician. A serious medical condition carries with it a risk to health beyond that experienced by the majority of children and adults in their day-to-day minor illnesses and injuries. Individuals with a serious medical condition may require administration of specialized treatments and may be dependent on medical technology such as ventilators, dialysis machines, enteral or parenteral nutrition support, or continuous oxygen. Medical interventions may include medications with special storage requirements, use of powered equipment, or access to water. I certify that the preceding information is correct.
