Property: Tax Map 44N 1 5, including approximately 1.4917 acres +/-

Conditional Use Permit: Request for Royal Farms Convenience Store with Gasoline Sales

Date: September 14, 2020

1. General Requirements.

(a) The following Amended Proffer Statement (the “proffers”) are being made pursuant to Sections 15.2-2298, et al. of the Code of Virginia (1950), as amended, and Section 28-164, et al. of the County Zoning Ordinance. The proffers provided herein are the only proffered conditions offered for the Property, and any prior proffers to which the Property may be subject or otherwise previously proffered are hereby superseded by these proffers, and further said prior proffers are hereby void and of no further force and effect. In addition, these proffers are conditioned upon and become effective only in the event the Applicant’s Conditional Use Permit (“CUP”) application to allow development of the Royal Farms convenience store and gasoline sales use on the Property (the “Royal Farms Project”) is approved (including through applicable appeal periods) by the Stafford County Board of Supervisors (“County”) and these proffers are accepted by the County.

(b) Subject to the terms hereunder, the Property will be generally developed in accordance with that certain generalized development plan, prepared by Bowman Consulting, and attached hereto as “*Exhibit A*,” which exhibit is incorporated herein by reference (hereinafter “GDP”).

(c) All proposed parcel lines, parcel sizes, building envelopes and footprints, access points, building sizes, building locations, public road locations, private driveway, road and travel way locations, utility locations, storm water management facilities, and dimensions of undeveloped areas shown on the GDP may be relocated and/or amended from time to time by the Applicant to fulfill requirements of final engineering, operation and design requirements and/or compliance with applicable state agency regulations including, but not limited to, VDOT, DEQ, etc., and in compliance with the requirements of the County’s development regulations and design standards manual and any matters of record. Changes consistent with the original general intent of the GDP shall be permitted, except where it is necessary to determine if any of the aforesaid changes are consistent with the original intent of the GDP, such changes shall be referred to the County Zoning Administrator for determination thereof, as may be applicable.

(d) These proffers shall run with the Property and be binding upon all future assignee, successors, grantees, or lessees thereof, except as may be otherwise specifically set forth herein.

2. Architecture & Materials. The architecture and design of the buildings for the Royal Farms Project will be in general conformance with the Royal Farms Elevations, prepared by Ratcliffe Architects, and attached hereto as “*Exhibit B*”, which exhibit is incorporated herein by reference.
3. Transportation. The Applicant agrees to provide the following transportation proffers:
 - Applicant shall construct a right-in only drive off of Route 17 to provide access to the Property as shown on the GDP.
 - Applicant shall construct a 5’ wide concrete sidewalk network along Commerce Parkway only in the areas as generally shown on the GDP.
 - Applicant shall provide traffic signal timings and proposed phasing for the intersection of Route 17 and Commerce Parkway for build out conditions.
 - Applicant shall install a northbound right-turn overlap phase with a new five-section doghouse traffic signal head at the Commerce Parkway approach to the Route 17 and Commerce Parkway intersection.
4. Lighting. For purposes of any parking lot lighting, the Applicant will provide “down-lighting” techniques not to exceed 1.0 foot candles at the Property line or so as not to intrude upon the adjacent properties. All lighting fixtures should be cut-off style and not exceed 20 feet in height.
5. Prohibited Uses. The Applicant agrees, as consideration for this application, to prohibit the following uses on the Property as described under Section 28-35 for B-1 and B-2 District uses:

A. Indoor flea market	H. Fleet parking
B. Plant and tree nursery	I. Motor vehicle sales
C. Adult business	
D. Outdoor flea market	
E. School, vocational	
F. Automotive repair	
G. Boat sales	
6. Buffering & Screening. The Applicant will provide landscaping improvements and buffer areas as shown on the GDP.
7. CPTED Measures. The Applicant agrees, to the maximum extent possible, that trees and shrubs will be oriented so as to not interfere with the Property’s lighting or sight distance. Trees shall be limbed up to six (6) to eight (8) feet and shrubs shall be no taller than 36 inches.
